Our Legacy

Recovery, Unity, Service--these are the Three Legacies given to the whole membership of AA by its founders. The AA Service Manual is the current version of the handbook that was first known as the Third Legacy Manual.

“Our Twelfth Step - Carrying the Message - is the basic service that the AA Fellowship gives...hence, an AA service is anything whatever that helps us to reach a fellow sufferer...” Co- founder Bill W. wrote these words to preface the first General Service Conference in 1951. The sum total of all these services is our Third Legacy of Service. Concerning any given service, we therefore pose but one question: “Is this service really needed?” If it is, then maintain it we must, or fail in our mission to those who need and seek AA.

How best to carry the AA message has evolved through the years. In District One there are eleven (11) Standing Committees and two (2) Annual Committees focused on 12th Step activities. These service Committees meet four times a year to share District experience. Each Chairperson reports this activity to the District Committee, which is composed of the five (5) District Officers, the Chairpersons of each Standing and Annual Committee, the District Committee Members (DCM) and General Service Representatives (GSR). Four times a year, District trusted servants also meet and share service experience with the South Florida Area 15 service structure. Every other year the District Committee uses our Third Legacy procedure to elect trusted servants to serve the next two years.

Why all this structure?

Bernard Smith, non-alcoholic Chairman of AA’s Board of Trustees, answered this in 1954 when saying those of us who have found AA may not need this to insure our own recovery. “We do need it to ensure the recovery of the alcoholic who still stumbles in the darkness one short block from this room. We need it to insure the recovery of a child being born tonight, destined to alcoholism. We need it to provide in keeping with our Twelfth Step, a permanent haven for all alcoholics who, in the ages ahead can find in AA the rebirth which brought us back to life.”

Our District One, "**Legacy of Service**", is our general mission of service and is not to be confused with our **Current Practices**, our operating procedure by resolution. A "Legacy of Service for a particular District Officer position or for a particular Standing Committee is simply a narrative of the experience of that Officer or Committee that may be referenced by their successors as a guide, but it is neither binding on them, nor voted

upon by the District body. It differs from a "job description" in that it describes what has been done, but not necessarily what ought to be done in the future.

The Alt Treasurer is a member of the District 1 Finance Committee and attends its monthly meeting.

These roles would be well suited for people who are good with numbers. They would likely need to have their own laptop, printer, and internet access. They would need to have some basic understanding of Excel, Word and possibly PowerPoint. QuickBooks experience is a plus, but we do have a basic guide to help getting started.

Scope

The Treasurer and Alt Treasurer have broad guidelines within Current Practices which outline their obligations and limits. It's critical that both consult with CP Chair to receive and understand all the financial and treasurer policies within current practices.

Transparency with the finance committee and with the body is of the utmost importance. Any 'out of the ordinary' requests for reimbursement either by types or size, should be run by the District Chair and Finance Chair so that the best decision and transparency can always come first. Unilateral decisions coupled with mistakes can severely hurt trust especially when money is involved.

Procedures

The Treasurer is accountable that all the items below are completed. The Alt Treasurer is responsible for some of the below items. The Treasurer and Alt Treasurer will work together to divide up the below procedures in a way that works well with them to get the work completed.

Example:

- i. i.e., The Alt Treasurer checks the Po Box, logs the checks in excel and deposits the checks in the bank.
- ii. The Treasurer would log the checks in Quick Book, generate TY letters and mail them to the groups.

Finance Committee

The Treasurer and Alt Treasurer are members of the District 1 Finance Committee and they attend its monthly meeting. The Treasurer creates a financial report including bank reconciliation for review by the Finance Committee. Both support the Finance Committee in the preparation of the annual District 1 Budget.

District 1 Business Meeting

The Treasurer is responsible for presenting the monthly financial “Treasurers Report” to the District 1 body for approval. This should include all contributions received and expenses. Account balances should be mentioned. Submits a written copy of the report to the Secretary within 2 days following the District 1 General Service Business Meeting for inclusion in the minutes.

The Treasurer is accountable to collect and account for the District 1 Business Meeting contributions from the basket and virtual basket, and deposits them into the District 1 bank account.

Area Quarterly Assemblies

The Treasurer attends South Florida Area 15 Assemblies for participation in the Area 15 Treasurer’s meetings and Finance Committee meetings. In the Treasurer’s absence, the Alt Treasurer can go in their place.

The Treasurer facilitates reimbursement of budgeted expenses for District 1 servants who have been identified as funded positions by District 1 Current Practice. Reimbursements will be made onsite, when possible. Special care needs to be taken before hand with the hosting hotel about how the District can benefit from no-tax status from 501c3 Non-Profit status. Usually this means that a District Debit Card would need to be used by the Treasurer onsite with a list of attending funded positions. In the Treasurer’s absence, the Alt Treasurer may perform these duties in their absence if they went to the event.

Bank Accounts

To begin, the Treasurer will need to coordinate with either the past Treasurer or District Chair, to get the bank accounts signatory and contact information updated. The Treasurer is the Primary on the account, they will need to submit social security and Driver License to the bank (Currently Regions). The Alt Treasurer is a secondary on the account.

The Treasurer and Alt Treasurer will need to get setup with digital banking so that they can monitor account activity and other uses.

The Treasurer and Alt Treasurer will need to get a District 1 debit cards for payment of online subscriptions and help facilitating Area Quarterly expenses.

The Treasurer will need to make sure they have enough checks to do reimbursement, or order more from the bank.

Email

The Treasurer shall coordinate with the past Treasurer to gain access to the A15D1Treasurer@gmail.com mailbox. There is a past history of communication and files which could help understand past conversations and many files which could be reused in the course of business which could help save time.

Digital Basket

The Treasurer shall use some kind of peer-to-peer money app to facilitate passing the virtual 7th tradition basket at the District 1 business meeting (The body has currently been using Venmo).

Post Office Box

At the beginning of a Panel, the Treasurer may choose a post office which is conveniently located to them. Treasurer is responsible to paying the yearly cost of the District PO Box each year. You may get an email reminder from the post office, or an email. If the Treasurer moves the Post Office Box they should ensure that the setup mail forwarding with the post office. They will also need to reach out to the District 1 Web Chair to update the Contributions Address listed on the District 1 website. They will also need to reach out to the Pinellas County Intergroup Web Chair to update the IG Website. (Area 15 and GSO don't post out Contribution Address on their web sites). If Area 15 has also updated its address at the beginning of the panel, it would be helpful to pass along their new address info to both Web Chairs.

Contributions

The Treasurer is accountable for:

Retrieving group contributions from the District 1 P.O. Box

Creating a record of all of the contributions from groups and individuals (Currently Excel and QuickBooks)

Depositing all contributions into the District 1 Bank Account (Operating Account, currently Regions)

Sending Thank You Notes (Receipts) to all group and individual contributions (Currently QuickBooks)

(Note: Individual contributions should confirm that the individual is a "member of AA". Sometimes a check needs to be sent back with a note that 'only AA members can contribute, with a self-addressed stamped envelope, so that they can attach a note confirming and resend in the check. If it's not possible to send back a check for whatever reason, the check or money order still shouldn't be cashed).
